General information:

- Members are encouraged to record their local flora and to provide this information for the Surrey botanical records database.
- The Society has a field meetings programme with regular meetings from April until September.
- The Society produces two newsletters each year that are distributed to all members.
- Members' details are not passed to third parties without prior permission. A list of members' names and contact details is circulated to all members each year. If you do not wish your details to be included on this list, please notify the Hon. Secretary.
- More information is available on our website: www.surreyflora.org.uk.

Members can receive their copy of the newsletter either through the post or electronically as an email attachment. Email distribution assists in reducing the Society's costs. Please tick one of the boxes below to indicate your preference:
