### General information:

- Members are encouraged to record local flora and to provide this information for the Surrey botanical records database.
- The Society has a field programme with regular meetings from April until September.
- The Society produces two Newsletters each year which are distributed to all members.
- Members' details are not passed to third parties without prior permission. A list of members' names and contact details is circulated to all members each year. If you do not wish your details to be included on this list, please notify the Hon. Secretary.
- The Hon. Secretary is always happy to answer questions concerning the Society.
- More information is available on our website: [www.surreyflora.org.uk](http://www.surreyflora.org.uk).

Members can receive their copy of the newsletter either through the post or electronically as an MS Word email attachment. Email distribution assists in reducing the Society's costs. Please tick one of the boxes below to indicate your preference:
